

**CLUB
NEWSLETTER
DECEMBER 2020**

AGM 2019 - This was held at the range on the 8th and was well attended despite rather poor weather. Both of the proposals were passed by virtually unanimous votes. This means that from January 1st the the subscriptions have increased by £10 per member but range fees are no longer payable by full members (Clay charges remain). Also a members requirement to make four attendances in any one year can now be on a Sunday or a midweek. However, members should remember the club is primarily a Sunday club and as such they should always do their best to attend on a Sunday, if you do not you are missing out on a great deal that the club has to offer. It should also be noted that Probationers must still make their original attendances on a Sunday, as midweek ones will not count, and any member who never attends on a Sunday will find that they will be supervised if and when they do attend on a Sunday.

RENEWALS - with this newsletter you will find your renewal notice, please ensure you fill it in and return it to the Treasurer (even if paying online). It makes the Treasurer's life much easier if a completed form is returned - **SO PLEASE MAKE SURE YOU DO!**

Also please note the club's Bank is proving awkward and refusing to accept cheques made payable to LESC so please ensure the cheque is payable to '**Lands End Shooting Club**' in full.

CHRISTMAS FUN SHOOT - as usual this will consist of some novelty shoots and aim to end around lunchtime. Pasty's will be provided (a charge of £1 this year) and it is important you let the Secretary know if you are coming by the 16/12/19 (unless you were at the AGM and already on the list). Also, as usual if you bring a wrapped present (value £3 - £5 and preferably food/drink) you will take one home at the end of the shoot.

That's its for this short newsletter, just remains to say have a Happy Christmas and New Year and stay safe.
